

2010 Price List

Rates for Translations, Editing, Proofreading and Additional Services

Whether you require translation, editing or proofreading services in German or English, we offer competitive prices, student discounts and custom-tailored flat rates for larger-sized orders.

Our rates are generally calculated per line of text (a standard line has 55 characters including spacing). Lines are counted with a tool called APlusCounts.

Proofreading

Starting at 0.37 euro cents per line

Flat fee per page for files with 10 pages and up: 5.00-7.00 euros (a standard page has a maximum of 30 standard lines with a total of 1,500-1,650 characters incl. spacing, depending on the text type)

Editing

Starting at 0.55 euro cents per line

Flat fee per page for files with 10 pages and up: 7.00-8.50 euros (a standard page has a maximum of 30 standard lines with a total of 1,500-1,650 characters incl. spacing, depending on the text type)

Translations

Starting at 0.80 euro cents for general texts; specialized/technical translations range from 1.00-1.50 euro per line (source language). Translations of faxed or scanned documents are billed on a time basis.

Express Orders (within 48 hours)

20% surcharge

Overnight and Weekend Orders

50% surcharge

Handling

-10% markup on total invoice amount for telecommunications, printouts, postage, commuting expenses, photocopies, library fees, etc. Individual receipts will be provided in such cases.

Royalties

Published translations: The royalty percentage for copies sold shall be regulated in a framework agreement between the client and contractor.

Editing: Copyrights and user rights can result from intensive changes to a manuscript.

1-9% of the net retail price per book sold.

Minimum Order Charge

30.00 euros
